

Light+Bright

Bundled Services Program

How the Light+Bright Bundle Works

- 1. Our certified team is on site for janitorial maintenance**
- 2. While on site our team will go over a checklist, replacing any necessary light bulbs and batteries**
- 3. You save on future trip charges and reduce costs by bundling services with Thoreau**

Rethink What's Possible with Customized Bundles

We can help build a custom bundle to fit your needs.

Bulbs and Batteries are just the beginning!

1.

The Thoreau Team is already on-site

for your scheduled Janitorial or Maintenance services. Our techs are trained and certified to handle other minor maintenance repairs while on site!

2.

While on site, our team is trained to handle other needs like:

- High Dusting
- Ceiling tile replacement
- Hinge tightening
- Common issue checklists
- Trip hazards
- Bathroom signage

3.

You enjoy all the benefits:

- Save time by working with one partner, handling multiple tasks in one visit
- Save money with fewer trips and reduced costs working with one partner

Find out how you can free up time and money with your own bundle!
